

GAUGING RAKE SINGLE EDGED POLYURETHANE

VR 1-2020

Our Single Edged Polyurethane **GAUGING RAKE** is a non-marking tool to spread flow-able floor coating materials. The flexible blade will not chatter or damage the priming medium. The replaceable blades have teeth on one side only and are fixed to our unique e-coated mild steel clamp style frames.

300MM GAUGING RAKES

GAUGING RAKES		REPLACEMENT BLADES	
MPU1302	2mm teeth	MPU1302R	2mm teeth
MPU1303	3mm teeth	MPU1303R	3mm teeth
MPU1304	4mm teeth	MPU1304R	4mm teeth
MPU1305	5mm teeth	MPU1305R	5mm teeth
MPU1306	6mm teeth	MPU1306R	6mm teeth
MPU1308	8mm teeth	MPU1308R	8mm teeth
